

BABA R14

Recessed optic downlights

design Roberto Mantovani

A range of recessed fixtures that combines refined and minimal design with high viewing comfort. An extremely thin border and recessed optics make for an innovative and effective element, ideal for applications ranging from the accenting of display and architectural details to general lighting.

Un gamma di incassi che associa un design estremamente curato e minimale ad un elevato comfort visivo: il bordo estremamente ridotto e l'ottica arretrata ne fanno un elemento innovativo ed efficace, ideale per applicazioni che spaziano dall'accento di elementi espositivi o di dettagli architettonici all'illuminazione generale.

Une gamme d'encastrables qui associe un design extrêmement soigné et minimalistique à un confort visuel élevé: le bord extrêmement réduit et l'optique en retrait en font un élément innovant et efficace, idéal pour des applications qui vont de la mise en valeur d'éléments d'exposition ou de détails architectoniques à l'éclairage général.

IP44 made in Italy

Una gama de empotrados de forma cuadrada que combina un diseño esmerado y minimalista con un elevado confort visual: el borde reducido y la óptica retrocedida componen un elemento innovador y eficaz, ideal para aplicaciones puntuales para resaltar elementos de exposiciones o de detalles arquitectónicos o bien para iluminación general.

Supply current
350-500mA (V_f 20,3V)

Power
7-14W

Series wiring

CRI
