

LAD S10 WALL WASHER

Surface projectors

design Roberto Mantovani

A projector for wall or ceiling installation, it is characterised by a minimal design and high optical performance. The wall washer optics are extremely precise and clean, whilst the geometry of the body eliminates visibility of the light source, ensuring extremely high visual comfort.

Proiettore per installazione a parete o a soffitto connotato da un design minimale ed elevate prestazioni ottiche. L'ottica wall washer è estremamente precisa e pulita, la geometria del corpo annulla la visibilità della sorgente luminosa rendendo il comfort visivo estremamente elevato.

Projecteur pour installation murale ou sur plafond, caractérisé par un design minimaliste et de hautes performances optiques. L'optique wallwasher est extrêmement précise et nette, la géométrie du corps dissimule la source lumineuse, pour un confort visuel extrêmement élevé.

Projektor für Wand- oder Deckenmontage, der sich durch ein minimalistisches Design und eine hohe optische Leistung auszeichnet. Die Wallwasher-Optik ist extrem präzise und sauber, die Geometrie des Körpers hebt die Sichtbarkeit der Lichtquelle auf, wodurch der Sehkomfort extrem hoch ist.

Proyector para instalación en pared o techo caracterizado por un diseño minimalista y un alto rendimiento óptico. La óptica wall washer es extremadamente precisa y limpia, la geometría del cuerpo anula la visibilidad de la fuente luminosa haciendo que el confort visual sea extremadamente alto.

IP20 made in Italy

Supply current

24VDC

Power

10W

Parallel wiring
