

FLEXALIGHTING

MINILED A R10

Adjustable downlights

design Lapo Grassellini

The Minileda range of extractable, recessed fixtures offers high performance in extremely compact dimensions. The movement of the head allows wide orientation of the light output, in a fixture with minimal and sophisticated design.

La gamma di incassi estraibili Minileda offre alte prestazioni in dimensioni estremamente compatte. Il movimento della testa permette un'ampia direzionalità del flusso luminoso, in un apparecchio dal design minimale e sofisticato.

La gamme d'encastrables amovibles Minileda offre des prestations élevées dans des dimensions extrêmement compactes. Le mouvement de la tête permet une grande directionnalité du flux lumineux, dans un appareil au design minimaliste et sophistiqué.

Die ausziehbaren Einbauleuchten der Serie Minileda bieten hohe Leistung bei extrem kompakten Abmessungen. Die Bewegung des Kopfes ermöglicht eine breite Ausrichtung des Lichtstroms, in einer Leuchte mit einem minimalistischen und anspruchsvollen Design.

La gama de luminarias empotrables extraíbles Minileda ofrece altos rendimientos en dimensiones extremadamente compactas. El movimiento del cabezal permite una amplia direccionalidad del flujo luminoso, en un aparato de diseño minimalista y sofisticado.
